Introduction of e-Arrival Card on electronic system in Cambodia

The Ministry of Interior of the Kingdom of Cambodia has announced the introduction of the Cambodia e-Arrival Card on electronic system that would consolidate immigration card, visa application form, customs form, and health information into a single form. This system will be accessible via www.arrival.gov.kh or the Cambodia e-Arrival (CeA) App, which will be available on App Store and Play Store. All passengers travelling to Cambodia are required to complete the above-mentioned electronic form.

The Ministry of Foreign Affairs requests all passengers travelling to Cambodia to comply with the above requirements of the Ministry of Interior of the Kingdom of Cambodia.
